Statement Regarding Declaration and Power of Attorney

SIR:

Enclosed with the present continuation patent application is the declaration and power of attorney for U.S. patent application number 10/268,278 filed on October 9, 2002. U.S. patent application number 10/268,278 is the parent application of the present continuation patent application.

This declaration and power of attorney is being submitted pursuant to 37 C.F.R. § 1.63(d)(1) whereby a newly executed oath or declaration is not required in a new continuation application.

This declaration and power of attorney states that the inventors, Andrew Scott Gavin and Evan Lindsay Wells, have "reviewed and understand the contents" of the parent specification, which is incorporated into the present continuation application, and that they are "an original, first and joint inventor" of the same.

The specification and drawings filed in the continuation application contain no matter that would have been new matter in the prior application.

Respectfully submitted,
Andrew Scott Gavin et al.
